

SPRING/SUMMER PROGRAM GUIDE

With one of the snowiest winters on record, the Parks and Recreation crew has been hard at work to provide winter recreation opportunities. We try our best to clear all main trails along our city's streets so residents have a safe space to get out and walk in the winter. We also clear park trails and provide sledding hills at Prairie Park and Beaudry Park. At these parks, we have our "Sled Sheds" where residents can come and use sleds and kindly return them when they are done having fun. We also are seeing record use on our Prairie Park Ice Rink this year, so if you are looking for a pickup game of hockey or just to tie those skates on for a leisurely skate, come shred some ice! Hope everyone gets a chance to get out and enjoy this winter season. Please make sure to check out our list of programs and activities happening this spring/summer of 2023!
