

Otsego Veterans Memorial

Paver Order Form

The Otsego Veterans Memorial at Prairie Park is the culmination of three Eagle Scout Projects aimed at honoring our armed forces. The first projects were a stone memorial installed by Eagle Scout Jacob Postuma in 2013 and a full set of memorial flags installed by Eagle Scout Jonathan Kuehn in 2018. The final project will be the installation of concrete pavers engraved with names of veterans. Please help us bring this project to completion by purchasing a paver for a friend or loved one who is serving or has served in the armed forces.

The pavers are concrete pavers engraved with the veteran's name, rank, service and conflict (if applicable). These pavers may be purchased for any veteran, they do not need to be a current or former resident of Otsego. The pavers will be engraved and installed periodically based on the volume of orders. They will be installed in the center island of the roundabout at Prairie Park adjacent to the flags and memorial stone, as pictured on the left.

To purchase a paver, please fill out the form below, enclose a check for \$30 made out to the City of Otsego, and mail the check and form to:

Otsego City Hall
